Leadership's Corner:

Cassie Fiskewold: Chapter President

Degree: I will be receiving my Associate of Arts Degree at the end of the 2017 Spring Semester. I plan to transfer to St. Cloud State to continue my education towards my major in Community Health.

What I've learned from being a member of PTK: I have learned quite a bit by being a member. Most importantly I have learned about, and strengthened, my leadership skills as well as how I can personally benefit my college and community.

My favorite part of being a PTK member: I enjoy our time together as a group, especially as we work together on different projects.
